*Creating Unique Events...
Impossible To Forget*

ABOUT US

Claudia Rivas opened the doors of Fiesta4Kids in 2002, and the company has been helping people around the Toronto area to craft unforgettable events and parties of all kinds ever since. But if you ask her about it, she will tell you that her career in party planning really began much earlier – way back when she was a child herself.

We'd like to offer you the best for all your functions (be them private or public, big or small) We also have a large assortment of inflatable bouncers, fun food machines, professional entertainers and whatever party equipment you may need. Fiesta4kids is a "one-stop-shop" where we'll organize and customize your party from beginning to conclusion.

Our competent staff will do whatever it takes to make sure that you get the best service possible, for each and all of your events.

Fiesta4kids is always looking for new ideas to make your parties even better! And we take pride in our work to satisfy all of our customers.
